

AMCOA Meeting Agenda

Friday, November 17, 2023

Remote Via Zoom

10:00AM – 11:30AM

First, our new Deputy Commissioner for Academic Affairs and Student Success Dr. Richard Riccardi will kick-off the meeting (10:05-10:15am). This may be the first time many of you have met Rick who succeeded Pat Marshall. This meeting will also give Rick the opportunity to see the Mass. public higher education assessment community. Rick is a fan of assessment and understands its value in higher education; even if it is no longer the shiny object of yesteryear.

Next, Dr. Amanda Henrichs, Director of Assessment, Mt. Wachusett Community College will share some information for the community college segment of the group (10:15-10:30am). Some background: Danielle Licitra, Bristol Community College; Kim McKeage, Greenfield Community College; and Amanda are forming a Community of Practice; basically a series of semi-structured conversations, open to people involved in assessment at any level in the Massachusetts community colleges. They want to target community colleges as a way to create resources and community, which is specifically for the unique challenges and opportunities of the community college environment.

Finally, I am really pleased to have Dr. Divya Bheda build and facilitate a session on equitable assessment (10:30am-12:00N). Some of you may remember that Divya presented at last spring's annual assessment conference. Some of you know her work from prior workshops. Divya brings a fresh perspective to this topic that is intended to engage you and to be engaging.
