AMCOA TEAM

MEETING AGENDA

Friday, March 15, 2024

G'Day! As promised, here is the call for the Amcoa Team Meeting being held this Friday, March 15 from 10am - 12N ET.

We plan to start the meeting with an update by Kim Stevens from Northern Essex Community College about the recent excellent and well-attended North Region Professional Development webinar held last Friday. Both the content and structure were unique.

Then, our presenter Dr. Bethany Miller, Associate Provost for Institutional Research & Assessment at Macalester College in St. Paul, Minnesota will be presenting on, "What's Equity Got To Do With It? - Equity-centered Assessment in Context." Bethany is on the front lines leading the work of assessment at Macalester College and her contributions to this work have been acknowledged by AAC&U for whom she serves as a Senior Fellow. I have seen Bethany present and I recommend you be sure to be there! This will be a 75-minute presentation that will include time for Q&A. Here is the Zoom information:
