MA Healthcare Workforce Statewide Summit 10.2.2014
APIN Map

- RWJF APIN Grantee State
- Academic Progression Initiatives supported by RWJF and CCNA
Establishing promising models

1. Shared statewide or regional curriculum
2. Competency-based curricula
3. Community colleges granting BSN degrees on their campuses
4. RN-to-MSN programs for AD students.
In the states…

• Education in Partnership with Practice
• Diversity and Inclusion
• Sustainability

At the national level…

• *Moving Forward on Academic Progression*
  • Foundational nursing courses
  • Continuing accreditation dialogues
  • Data collection and monitoring
