**AWARD VALUE**

The award under this program shall be equal to the value of required tuition (not including fees) for all state-supported undergraduate courses.

The scholarship may be awarded to eligible students for a maximum of eight semesters of enrollment (not including summer terms), which must occur within six years following high school graduation.

The program will be awarded at no cost to the institution.

**AWARD PROCEDURE**

Beginning with the Class of 2005, the State Department of Education will annually certify the eligibility of student recipients for the John and Abigail Adams Scholarship. Consistent with other programs, the State Department of Education will provide students with a letter of eligibility and provide the Board of Higher Education and Office of Student Financial Assistance with a list of eligible students designated as Adams Scholarship recipients.

Each John and Abigail Adams Scholarship recipient shall be responsible for submitting documentation of eligibility to the institution where he/she will enroll.

The Office of Student Financial Assistance shall annually provide institutions with a roster of eligible students that have met the requirements of completing the FAFSA. Institutions may use this roster to verify student eligibility whenever other documentation is not available.

The institution shall award scholarships equal to the value of required tuition. The Adams Scholarship is a non-need based program. Financial need is not a requirement for eligibility. However, recipients must meet all requirements as defined for eligible students including filing the FASFA.

**ANNUAL REVIEW**

One year after the date of implementation, the Board of Higher Education shall evaluate the effectiveness of this program to determine adjustments to the selection and eligibility criteria, as necessary and as warranted by state-wide performance of students on the MCAS, and by any changes to the exam contents (e.g., the addition of Science and History test to the competency determination). Thereafter, a comprehensive evaluation will be conducted annually to assess the program’s effectiveness, the results of which will be reported to the Governor and members of the Massachusetts Legislature.
PARTICIPATION AGREEMENTS

All institutions must file a State Financial Aid Participation Agreement to be maintained on file in the State Office of Student Financial Assistance.

The institution shall retain such financial books, records, and documents for seven years.
