### **NOTICE OF COMMENT PERIOD**

Notice is hereby given pursuant to [M.G.L. c. 69, § 30](#) and the [Massachusetts Board of Higher Education's Policy Establishing a Process for Public Comment on Articles of Organization and Foreign Certificates of Institutions of Higher Education that the Massachusetts Department of Higher Education](#) will open a comment period relative to **the Articles of Amendment filed by Wentworth Institute of Technology to offer the Master of Science in Civil Engineering.**

Wentworth Institute of Technology is an independent, New England Commission of Higher Education accredited institution located in Boston, MA. Founded in 1904, the University is authorized to grant "degrees at the associate and baccalaureate levels in fields of science, engineering and technology; to confer appropriate honorary doctorate and ex officio degrees, together with the right to confer such other degrees as may be approved by the Board of Regents of Higher Education." The Board of Higher Education approved Wentworth Institute of Technology to award the Master of Architecture in 2007, the Master of Science in Construction Management in 2010, the Master of Science in Facility Management in 2012, the Master of Science in Technology Management in 2013, the Master of Engineering in Civil Engineering in 2014, the Master of Science in Applied Computer Science in 2015, and the Master of Science in Project Management in 2018. Wentworth Institute of Technology is now seeking authorization to offer the Master of Science in Civil Engineering.

The public comment period for the Articles of Amendment filed by Wentworth Institute of Technology to offer the Master of Science in Civil Engineering begins on August 31, 2021 and ends September 21, 2021. Written comments on the proposed amendments may be submitted at any time prior to 5:00pm on September 21, 2021 by directing the same to the following:
