CHRISTIAN A. HERTER MEMORIAL SCHOLARSHIP
PROGRAM GUIDELINES

In accordance with Massachusetts General Laws, Chapter 15A, Section 16, the Board of Higher Education shall offer the Christian A. Herter Memorial Scholarship Program, which provides scholarships annually to twenty-five students of extraordinary need and ability, selected while in the tenth or eleventh grades by persons or agencies designated by the Board of Higher Education and set forth under the regulations of this program.

PURPOSE:

The Christian A. Herter Memorial Scholarship program was established in 1972 by the Massachusetts State Legislature as an early identification program to assist students whose socio-economic backgrounds may inhibit their ability to pursue higher education.

Each year twenty-five (25) tenth and eleventh grade high school students are selected to receive up to fifty percent (50%) of their calculated financial need (following high school graduation) once they enroll at the college of their choice within the continental United States. Students that are selected for this program must have overcome major adversity in their lives (i.e. physical or mental abuse, catastrophic illness, other obstacles). Obstacles overcome may be defined as mental, physical, geographic or societal. Students must also exhibit academic potential for post-secondary success.

DETERMINATION OF NEED:

All scholarships awarded under the Christian A. Herter Memorial Scholarship Program, must be made on the basis of demonstrated financial need.

Students qualifying for a scholarship must complete the institution’s required application process for student financial aid.

Herter Scholarships, in combination with other resources (excluding MASSGrant) in the student’s financial aid package, may not exceed the student’s demonstrated financial need.

Students selected by the U.S. Department of Education for verification must complete all required documentation prior to receipt of a Herter Scholarship.

SCHOLARSHIP AWARD VALUE:

Individual scholarships for an award period may vary. The student is to receive an award of up to 50% of his/her financial need for each of the four undergraduate years, provided the student continues to demonstrate need for that level of assistance, utilizing Federal Methodology (Need = Total Cost of Attendance minus Expected Family Contribution).

Herter recipients are not eligible to receive the MASSGrant.

APPLICATION PROCESS:

Each public or private secondary school, social service agency, civic or religious organization may nominate up to five eligible candidates for the Herter Scholarship program on an annual basis. Nominations must be submitted to the Office of Student Financial Assistance by the specified date that is annually established.

The nomination package must include a completed Herter Scholarship Application, autobiographical statement, a nominating agency’s statement, supporting financial form, required letters of recommendation and an official transcript from the high school.
