Awards should not exceed the calculated costs of tuition and fees as determined by the institution and published in its annual Cost of Attendance (COA) and approved by the BHE pursuant to M.G.L. c.15A, Section 5B(c)(1), for the academic term during which the grant is made.

An additional **Allowance and Support Award** of up to \$1,200<sup>5</sup> for books and supplies, and other approved costs, may be provided to students enrolled at any one of the Commonwealth's public four-year or two-year colleges and universities who meet the eligibility requirements and award criteria.

Any MASSGrant Plus award (either grant or allowance) expended beyond costs related to tuition and fees, and the allowance for books, supplies, and other costs as defined, must be approved or authorized by the Commissioner of Higher Education, or their designee.

## AWARD CALCULATION

Students enrolled at a public four-year college or university and pursuing an undergraduate program of study leading to a bachelor's degree may receive a **MASSGrant Plus Award** to cover *Financial Unmet Need* for costs associated with **tuition and fees** the corresponding academic term or year. The award calculation for an eligible student is as follows:

**MassGrant Plus Award** = *Tuition and Fees (minus) All Other Non-Loan Aid*

An additional **MASSGrant Plus Allowance and Support Award**<sup>6</sup> for books and supplies, and other approved costs, may be available to students enrolled at any one of the Commonwealth's public two-year or four-year colleges or universities and who meet the eligibility requirements. The maximum Allowance and Support Award in any academic year shall be \$1,200, and shall not exceed \$600 in any single semester. This award calculation, **based on the number of enrolled credits each semester**, is as follows:

**MASSGrant Plus Allowance and Support Award** = *Cost of Attendance COA (minus) All Other Non-Loan Aid*

---

<sup>5</sup> In September 2025, the student Allowance and Support award was initially reduced to \$1,000 for Academic Year (AY) 2025-2026 to align with authorized spending levels in the FY26 GAA (BHE Motion 26-03). However, on November 25, 2025, pursuant to BHE Motion 26-30, the BHE restored the student Allowance and Support Award to \$1,200. Please note that this full \$1,200 amount level is retroactively available for all eligible in AY2025-2026, consistent with the Award Calculation tables in these guidelines.

<sup>6</sup> Students participating in the state's MassEducate programs may also be eligible to receive an additional Allowance and Support Award of up to \$1,200 if they meet the MASSGrant Plus eligibility and award calculation requirements. This award is subject to appropriation and availability of funding.

6-8 credits	up to \$600 per academic year, not to exceed \$300 per semester

Student eligibility for the **Allowance and Support Award** should be assessed and determined at the beginning of each semester and the student's semester award amount should align with the student's credit hours per semester.

## **AWARD DISBURSEMENT**

Participating institutions must verify that each recipient is eligible in accordance with guidelines established for the MASSGrant Plus program, and that the student is enrolled in an approved certificate, associate, or bachelor's degree program. Further, the institution is required to verify that the student has not earned a prior degree (or equivalent) before awarding and disbursing funds, which may be done through a signed affidavit after all reasonable attempts were made to secure prior transcripts, if any.

Institutions are required to refund to the DHE any funds that are deemed to have been improperly awarded and disbursed to recipients who are later determined to be ineligible for the program. Refunds may occur because of adjustments to SAI, changes to dependency status, and/or changes to a student's enrollment status. Refunds may also occur if the institution receives payment and becomes aware that a student has withdrawn, dropped below full-time status, taken an approved leave of absence, or otherwise fails to complete the period of enrollment as charged. MASSGrant Plus may be awarded to support trailing summer enrollment that occur prior to the end of the corresponding fiscal year, if funds are available.

## **ANNUAL REVIEW**

The Department of Higher Education is responsible for evaluating the effectiveness of the MASSGrant Plus program. Institutions that have signed an agreement to participate in the Massachusetts State financial aid programs are required to share data for all students with the DHE or its designee, and the Office of Student Financial Assistance (OSFA) for this purpose. The program may be evaluated annually to determine any immediate impact or to determine if adjustments are required for various processes, such as disbursement of funds.

## **PARTICIPATION AGREEMENT**

All institutions receiving funds under the MASSGrant Plus Program must have an active Massachusetts State Financial Aid Participation Agreement on file with the Massachusetts Office of Student Financial Assistance (OSFA).

**As amended, by BHE 26-30 (November 25, 2025)**

An institution may retain such records for a period of five years, if approval is received from the Records Conservation Board in accordance with General Laws, Chapter 30, Section 42.
