

STEM TRANSFER ACADEMY

Summer 2023

Are you a community college STEM student planning on transferring to UMassD? **APPLY NOW** to the summer STEM Transfer Academy and get a head start on your academic career at UMassD.

Program Overview:

- Enroll in a 3-credit, tuition-free summer course through UMassD during the second 5-week session (July 10th - August 11th)
- Participate in workshops with focused topics to assist your transfer*
 - Receive individualized academic and career advising
 - Learn about campus resources and support services
 - Make connections with other transfer students
 - Meet with STEM faculty and learn about research opportunities

*Students who complete the required workshops will receive a credit towards their fall UMassD tuition for their participation.
