2. Review of companion guide *OER KPI Assessment MA Guide Updated June 2023* including changes from last year and roll-out of 2 KPIs

3. Demonstration of data entry process & changes to collection
   a. Important Notes on Data Collection
   b. Describe the current plan for the data collection process will look like
   c. Problems with data collection last year

1. Time for questions and who to contact moving forward
Why are We Doing This?

The Equity Agenda

6/22/2021, Board of Higher Education unanimously accepted the motion of the Academic Affairs Committee that stated the Commissioner will work with the OER Advisory Council and the public institutions to implement the Course Marking Implementation Guidelines and the OER Key Performance Indicators.

7/27/2021, Letter from Commissioner Carlos E. Santiago re: OER Course Marking Implementation and OER Key Performance Indicators, Appendix A of guide

9/1/21, Letter from Bob Awkward to MA OER Advisory Council Re: OER Key Performance Indicators, Appendix B of guide

11/23/2021, Letter from Patricia Marshall, Former Deputy Commissioner for Academic Affairs & Student Success re: Implementing OER Course Markings and Key Performance Indicators, Appendix C of guide
OER KPI Assessment Guide

Available on the DHE website at Open Educational Resources

Review of Main Features of the Guide

Eight sections to the document:

- Table of Contents
- Purpose of the guide
- Definitions
- Table listing Key Performance Indicators in relation to COUP Framework
- Important Notes on Data Collection
- Calculating the Key Performance Indicators
- Suggested timeline
- Examples of work at MA Public Colleges and Universities
- Appendices
Important definitions for the first year:

- **Reporting Year** – July 1 - June 30. Academic reporting year is as follows, Summer 2, Fall, Winter, Spring, Summer 1. Example: For AY2023 (July 1, 2022 – June 30, 2023).

- **Enrollments** – the duplicated count of students enrolled in course sections

- **Low Cost Materials** – Those course sections that have materials that cost $50 or less in total. See Definition of OER (below) and the materials included in that definition.

- **No Cost Materials** – Those course sections that have $0 materials cost. That is, it is free to the student including library and free resources. See Definition of OER (below) and the materials included in that definition.

- **Professional Development** – Includes faculty and staff workshops, communities of practice, information sessions or other activities in which OER is a topic.
Definitions

MOST Important Definition

Course Sections- An individual undergraduate course offering distinguished from other offerings by date, time, location, instructor, and delivery mode. Include credited undergraduate course sections. Include early college, developmental course sections and art, studio, and PE courses sections which may not typically have required textbooks.

Exclude credited course sections like labs, independent studies, dissertations, practicums, internships, externships, and directed studies. Exclude all non-credited courses sections and workforce development offerings.
Changes to Guide from Last Year

- Substituted enrollments for students to reflect that data submitted is duplicated student counts
- Clarified definition of course sections
- Updated reporting timeframe Aug 1 to Sept 15

Comprehensive list of changes is available [HERE](https://example.com).
